

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the)
Certificate of Service Authority and)
Accompanying Tariff of CoreComm)
Missouri, Inc.)

Case No. XD-2005-_____

**MOTION TO OPEN CASE AND CANCEL
CERTIFICATE OF SERVICE AUTHORITY AND TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its Motion to Open Case and Cancel Certificate of Service Authority and Tariff, respectfully states as follows:

1. In February 2000, the Missouri Public Service Commission (Commission) issued its order in Case No. TA-2000-391, granting CoreComm Missouri, Inc. a certificate of service authority to provide intrastate interexchange telecommunications services. The Commission also approved its tariff, P.S.C. MO. No. 1, in the same case.

2. CoreComm Missouri, Inc. has requested the cancellation of its certificate of service authority under the authority of counsel for ATX Communications, Inc., the indirect parent company of CoreComm Missouri, Inc. See Appendix A.

3. The company owes no annual reports or assessments to the Commission. It is reflected as in “good standing” at the Missouri Secretary of State’s office.

4. Because CoreComm Missouri, Inc. has requested cancellation of its certificate, and because it is no longer providing telecommunications service in Missouri, the Staff recommends that the Commission issue an order canceling CoreComm Missouri, Inc.’s certificate and tariff.

5. The Commission has the authority to cancel a telecommunications corporation certificate pursuant to Section 392.410.5 RSMo. (Supp. 2004), which provides:

Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. 1989).

6. This pleading is being served both on the address provided by the company to the Commission as the current, accurate address via certified mail, as well as upon its Missouri registered agent.

WHEREFORE, the Staff recommends the Commission cancel the certificate of service authority granted CoreComm Missouri, Inc. to provide interexchange telecommunications services, as well as its accompanying tariff, P.S.C. MO. No. 1.

Respectfully submitted,

DANA K. JOYCE
General Counsel
